

CVC Coordinators' Communiqué

June 2006

Dear Coordinators,
I hope all of you are enjoying this "summer" weather. While all of you might not now be thinking much about the CVC campaign, be assured that there is plenty of things "hopping" over here!

We received over 1400 applications from charities this spring. About 94% were immediately approved and another 2% are getting a second look. It has made for a very busy spring!

I returned to work after having shoulder surgery (rotator cuff) in early May. Fortunately, I was able to use email to keep up with the biggest communications so we could maintain good customer service to our charities, donors, and employees.

The purpose of this email is two-fold:

1. This is a good time to update our coordinator distribution list. If you are not continuing as a coordinator this year, please let me know the name of your successor. We want to have an accurate list before things heat up later this summer.
2. As many of you know, Tamara Johnson Mann left the CVC campaign in early May. That position has been posted on RECRUIT At <http://jobs.virginia.gov>. If you know of someone special who might be interested in this position, please tell him or her to apply by 5:00 pm on June 5th.

Have a great summer.
