To: Commonwealth of Virginia Campaign Workforce

I would like to personally thank you for your support in helping the American Cancer Society in Virginia rank among the top 20 charities in total dollars received through the Commonwealth of Virginia Campaign. These dollars will allow us to continue providing essential life-saving programs to our Virginia residents.

The American Cancer Society provides eight essential programs to all communities in the Mid-Atlantic Division. The eight programs are very visible, easy to access, and readily available in most communities. These programs include: Road to Recovery, Reach to Recovery, Look Good...Feel Better, I Can Cope, Tell-A-Friend, Generation Fit, Man To Man, and Slip Slop Slap.

Your generous support is essential in continuing our fight against cancer. I salute all of you who helped "make a difference" in moving us closer to our vision of a cancer-free society.

Sincerely,

Charles D. Leiss
