

Virginia State Employee *Emergency* Fund

VIRGINIA STATE EMPLOYEES HELPING FELLOW EMPLOYEES IN NEED

How It Works

The Virginia State Employee Emergency Fund (VSEEF) has been created for Virginia State employees who are in need as a result of a recent unforeseen crisis or emergency. The VSEEF is a recognized charity of the Commonwealth of Virginia Campaign (CVC).

The VSEEF supports active employees who have had sudden emergency situations (i.e. fire or damage to the home, car accident, family member's sudden illness, or costs associated with the death of an immediate family member). Funds are made through short-term grants payable to companies, not individuals.

To view more information about the VSEEF, visit www.cvc.vipnet.org/veaf/vseefFAQs.htm

State employees who qualify for this fund should download the online application, obtain the appropriate signatures and documentation, and submit their application through fax or mail.

Once applications are received, a committee of state employees reviews the request in a confidential manner. All applicants are notified within seven business days of the status of their application.
